eLeaven: applying technology to raise humanity

patrick byrne - ceo - overstock.com
friday, october 8, 2004 151 tnrb 11.00am - 11.50am

Overstock specializes in bringing small lots to large markets at affordable prices
Patrick Byrnes bridges the gap between world artisans and the US world market
Through Worldstock.com artisans earn enough to feed, educate, and provide health care
for their children - without depending on charity, and without abandoning
their native crafts and culture
